

Hello,

Thank you very much to introduce your school and your council team. You seem a dynamic and friendly group.

We're a smaller school with 6 teachers and 145 pupils from 6 to 11 years old. There are 6 groups: CP - CE1 - CE2 - CE1/CM2 - CM1 - CM2. Maurice GENEVOIX is a public school in contrary with Notre-Dame which is a private one.

The two schools are interested in working and sharing with you.

We haven't a council team in the Maurice GENEVOIX school but 10 oldest pupils (CM2 - 10-11 years old ) participate in the young municipal council with the mayor and the town councillors (about 3600 inhabitants).

Pupils work from 8:45 to 11:45 am and from 1:45 to 4:00 pm. They study french, english, math, history, geography, science, arts, physical education.

It would be interesting to compare our school life and share presentations on differents topics: history, geography, science, arts, sports?

What organization would you like? a correspondence between schools? between classrooms?

How many letters in a year? Can we consider a correspondence over several years or not?

Sincerely yours,

Maurice Genevoix teachers'team
